Our Services

Our Extreme Package

Post Construction Cleaning, We clean brand new apartments, homes, offices and spaces that have been renovated, with our magical touch to make them safe for our clients to use.

Dost Construction Cleaning

Brand new apartments, homes, offices and spaces that have been renovated our jobs make these spaces safe for our clients to use after our magical touch.

Move in move out cleaning

Whether our client is moving into a home or out of an office space we deep clean it to create a clean skite for whoever is about to use it.

Residential cleaning

We make sure your home is left sparkling clean and fresh through all its chambers; the living room area, kitchen, and bathroom to the bedrooms by mopping, scrubbing, polishing, vacuuming etc.

Commercial cleaning

In our commercial cleaning, we offer office space cleaning, floor waxing services, cleaning carpets, furniture, corridors, rest homes, and office carpets to stain removal & restore shine.

Compound Pressure Washing

We offer jet washing to ensure surfaces like sidewalks, driveways, and paved compounds look sparkling clean. We add wall cleaning and roof cleaning to that.

Upholstery Cleaning

In this, we clean furniture like sofas, and armchairs with materials like cotton leather, and wool so clients don't have to move their furniture a location just for cleaning.

Carpet & Sofa set cleaning

Rugs & carpets are our speciality and we keep them in good condition. Services include; stain & odor removal steam cleaning etc.

Pest Control

We fumigate to prevent diseases and control pests from spreading in homes and working spaces. We use eco-friendly safe products that are environmentally friendly.
